

Grayson County Frontier Village, Inc. 2018 Membership Dues

Membership entitles the member to play an active role in helping to maintain the rich history that has been left in our care. While volunteers are always needed and appreciated, being a "Friend of the Village," allows you to play an active role in group decision making and comes with privileges that the average volunteer does not receive. Among those privileges are:

- Email notification of events and activities prior to publication.
- A vote on general decision making at the Spring & Fall general membership meetings.
- A vote on any Board position nomination at the fall meeting.
- Eligibility after 6 months membership to be nominated or hold a position on the Board of Directors.
- Eligibility to become a Caretaker for any vacant properties within the Village.
- The right to participate as a guide during events at no charge.

These are just some of the highlights of being a "Friend of the Village."

Cost for membership is as follows:

\$10 per person

\$15 per family

\$100 for Patron membership

\$500 for life membership

\$1,000 for benefactor membership

Please join us in helping to preserve our history for the next generation.

Name: _____

Address: _____
