Vendor Guidelines

Below are a few guidelines for the vendors of Frontier Day Festival at Grayson County Frontier Village (located in Loy Park, Hwy 75, Exit 67, 100 RC Vaughan Rd, Denison, Texas 75021) on April 25th, 2015. We ask the cooperation of all vendors. If you have any questions, please email graysoncofrontiervillage@yahoo.com or call Linda Miller at 903.815.7915.

Set Up Time: Vendors may set up anytime between 7 a.m.-8:30 a.m. Set up must be finished by 8:30 a.m.

Set Up Guidelines:

- Check with the vendor coordinator to know where to enter and exit with your vehicle and find your booth spot. (We have septic tanks and lateral lines that need protecting.)
- **Observe set up time**
- Remove all vehicles from vendor area by the end of set-up time.
- All vehicles must be parked in the vendor parking area across the road from the gates facing the lake.
- Bring your own extension cords, tables (if you need them), etc. for your booth. You may bring a tent canopy if you wish. (Be sure to let us know in your contract if you need electricity.)
- Please remove your vehicle from the vendor area as quickly as possible.

Please keep your booth open until 4:00 p.m. It is difficult and distracting to bring vehicles into the park while guests are visiting. See the vendor coordinator if you need to break down before this time.

Support: We will have a coordinator on sight to assist you as a vendor. Please let them know if you have questions or concerns.

Tear Down Time: Booths may be broken down at 4:00 p.m. Please check with the vendor coordinator before bringing your vehicle into the park.
